Grinders with two belt arms - PBBP 308 / 2800

ARBOGA PBBP 308 BELT GRINDING MACHINE ON PEDESTAL – designed for heavy-duty work!

With its solid construction and powerful motor, the PBBP 308 double ended grinder from ARBOGA is the perfect grinding machine for those who are looking for a powerful grinder that is capable of handling typical tasks and at the same time helps maintain a healthy working environment by emitting low levels of mechanical and electrical noise. The spindle shafts are precisely placed in well-shielded dustproof ball bearings.

ARBOGA PBBP 308 comes complete with two belt arms and heavy cast iron tool rests on floor type pedestal.

POWERFUL MOTOR The motor in the grinding machine is wound at our own factory in the town of Brovst, North Jutland, which is why we guarantee a quality motor that can operate continuously without needing downtime for cooling. The motor is encapsulated in a strong cast-iron structure that protects it against external impacts. If the grinding machine is used in accordance with the enclosed instructions, we vouch for a machine that will have a very long service life. This is why we offer a 5-year warranty on the motor.

BUILT FROM EXPERIENCE ARBOGA has been manufacturing grinding machines for more than 90 years and is famous for their reliability, power, and quality materials. All grinding machines supplied by ARBOGA live up to all safety requirements in accordance with the CE marking and thus are equipped with separate emergency stop devices.

ARBOGA PBBP 308 GIVES YOU - An efficient and powerful 1,5 HP motor that does not need downtime for cooling. - A low-noise and powerful grinding machine without vibrations. - Beltarms on both sides with grinding belt 50x1600mm and heavy cast iron tool rest - Floor type pedestal - Excellent safety with a separate emergency stop in accordance with the CE marking requirements. - 5-year warranty on the motor
